## **Custom Sized Graphics**

**Would you like custom size graphics not detailed above.**

Use the following equation to price you graphics.

$W \text{ (inches)} \times H \text{ (inches)} = \text{Total Square Inches} \times \$0.165 = \text{Graphic Cost}$

**For example: 20" x 20" = 400" x \$0.165 = \$66.00**

Prices do not include design fees.
